Dear Valued Guest,

Hotel Maluri is the latest boutique property that sits comfortably in Kuala Lumpur, the state capital of Malaysia.

Flanked by modern shopping malls, shops and offices the hotel is also just minutes away from the Maluri LRT Station.

Renovations and upgrading works which started from April 2009 to early January this year has transformed Hotel Maluri into an International boutique hotel. All 238 rooms and suites have been renovated and refurbished.

Noticeably the hotel's food & beverage outlets were given a fresh new concept, look and name. The Bistro that serves daily breakfast and all day dining is now known as "Raintree Café". Experience the cascading sounds of water as you walk into the outlet.

Even the chefs have teamed up and introduced a totally brand new ala carte menu and a host of innovative appetizers and desserts. Be sure to try out this new and exciting menu when you are there.

The other food & beverage outlet, The Lounge has now been transformed into "The Chatz". A perfect place to unwind with premium refreshments and cocktails throughout the day and guests here can expect live music in the evenings. "The Chatz" also offers basic leisure sports facilities pool table, a dart board corner and comfortable seating. Both food & beverage outlets comes with WiFi facilities.

Soon to be added into the hotel host of food & beverage outlets will be an Al Fresco Café. It offers an array of barbequed grilled items & local fare, in a relaxed outdoor setting. Catch up on International sports events, enjoy a cold drink with your meal.

For the convenience of hotel guests, the hotel now offers free shuttle services to the city centre and places of interest in the city centre.

For a complete, stress free and relaxed holiday or business visit, Hotel Maluri Kuala Lumpur is the place to stay.

After all, simply:

Nature in The City
